*[For Senior District Judge Charles R.

**OBJECTION TO THE STAY  
ORDER OF BREYER ON MARCH  
05, 2024**

Complaint Filed: July 16, 2023

Trial Date: *Not Set Yet*

**OBJECTION**

Kudos White America! You have done it again. Please ensure that you're habitual-making of racist Orders promoting White attorneys and the continuous shoving of White people's faults goes on. White people, especially White women can walk in and out of anywhere without having to wait, without much effort, and the White people and rest of America make life at ease for them.

It is such a disgrace. No wonder I left this country twice. This is just Plaintiff's test to see how American justice treats educated women of color and immigrants such as undersigned. And no wonder San Francisco is in a crisis of homelessness, drugs and poverty – gratitude to the even-keeled judges that are stuck in the arcane ages.

Pretty much known there is no justice for people of color in America until they're dead – e.g. Floyd, Arbary, Breanna, Emmett, and so on, or until they have wasted their lives serving some kind of egregious term for something they did not do based on guess-what White people's "lies". Why not publicly shame the perpetrators – there is no answer to these White judges and White-thinking judges but to laugh. But for the Kyle Rittenhouse's and Jean E. Carroll's of America justice galore. Abominable.
